

Slimblade™ Trackball Mouse

idea: Finally, a mouse that works everywhere

Product Number 72281EU

The Kensington SlimBlade(TM) Trackball Mouse works where other travel mice can't. The trackball gives you control even when there's no room to move a mouse, then switches to mouse mode with the push of a button. Bluetooth® connectivity offers up to 9 metres of range and doesn't use up a USB port.

Features and Benefits

- Any terrain trackball and mouse all in one
- Trackball mode gives you cursor control on any surface
- Scroll Ball on the mouse provides easy and intuitive 360° scrolling
- Bluetooth® enabled for an instant connection--leave your USB ports available for other devices
- Fuel gauge indicator lets you know when it's time to change your batteries
- Never worry about turning your mouse on or off again--your mouse goes into sleep mode when your notebook does
