

WiFi Finder

| | |
|-----------------------|------------|
| Product Number | 33063 |
| Brand | Kensington |
| MSRP | \$39.95 |
| Street | \$29.99 |

Finds wireless networks instantly!

The Kensington WiFi Finder eliminates the hassle of finding WiFi networks while on the road. Press a button and three LEDs indicate signal strength from up to 200 feet, and the pocket-sized, patent-pending design is compact and lightweight.

Features & Benefits

- The only WiFi detector on the market today
- Completely hassle free -- no more booting up your notebook to find a WiFi signal
- Detects most available WiFi networks with the press of a button
- Three lights indicate signal strength
- Compact and lightweight - fits in your pocket.
- Detects open hotspots from up to 200 feet away
- Filters out other wireless signals, including cordless phones, microwave ovens and Bluetooth networks
- No software or computer required
