

Transporters for iPod® shuffle

Two great ways to carry your iPod shuffle...safely.

Product Number **K33351**
Sugg. Street Price **\$19.99**

Slide it over your belt, or snap it onto your briefcase or handbag. Transporters for iPod shuffle come with two attachments for easy carrying. Choose the sleek belt-clip for out-of-the-way convenience, or use the carabiner's handy spring-loaded clip to attach your shuffle to just about anything. The locking caps even protect the USB connector and keep your shuffle safe and secure no matter where you put it.

Features and Benefits

- Keeps your iPod shuffle safe and secure, on almost anything
- Locking cap mechanism holds on tight, releases with a squeeze
- Includes both carabiner or belt-clip attachments
- Shuffle-friendly design looks right, works great
- Protects USB connector from dirt and damage
