

4-in-1 Car Charger for iPod®

Keep your iPod charged... and more!

Product Number **K33368**
Sugg. Street Price **\$34.99**

Kensington's 4-in-1 Car Charger for iPod® powers Click Wheel iPods, including iPod nano, and iPod with video. A pass-through connector allows FM Transmitters to run while charging your iPod.

Features and Benefits

- Charge any Click Wheel iPods, including iPod nano and iPod with video
- Use the pass-through dock connector with other accessories like FM Transmitters while charging your iPod
- Charge any USB powered device such as an iPod shuffle, cellular phone, or PDA in your car (Requires a USB A/USB B or device specific cable - not included)
- Sync and charge your iPod while using an FM Transmitter at home or in the office with the detachable USB 2.0 to dock connector cable (\$20 value)

Technical Specs

- Safety fuse to prevent damage to iPod in case of a power surge
- Unique design to fit most hard to reach cigarette lighters
- On/Off switch to prevent car battery drain
