\$29.99

Secure your iPhone, iPod or other mobile device on your dash while you drive. The flexible arm on the Kensington Windshield Mount for iPhone and iPod adjusts to keep your devices within reach no matter how bumpy the road is. And the adjustable side clamps hold the iPhone and iPod even when they're in a case.

Features and Benefits

- 12" flexible arm adjusts to optimal positioning
- Adjustable side clamps expand to fit iPhone, iPod or other mobile devices
- One-button quick release of side clamps
- Adjustable legs give added stability and prevent your device from falling
- Swivel head allows for horizontal or vertical device orientation.
