Listen to your iTunes through the car's stereo auxiliary port and keep your iPhone or iPod within reach. The Kensington Car Charger Deluxe lets you enjoy the pure sound of your music and features a flexible arm and cradle to securely hold your iPhone/iPod screen in full view. It even rotates for vertical or horizontal viewing. And it charges your iPhone/iPod when you're on the road.

Features and Benefits

- Dock charges most iPhone and iPod models- even with cases
- Allows hands-free speakerphone conversations
- Arms adjust around iPhone or iPod for secure fit
- Cradle rotates for vertical or horizontal viewing
- Flexible gooseneck adjusts for optimal positioning
- LED light indicates power status
- Auxiliary-in cable included to play iTunes directly through car stereo
- Smart dock features: one arm release in landscape mode so iPhone/iPod doesn't fall out, adjustable backrest

Technical Specs

- Compatible with iPhone and any iPod with dock connector (excluding 3rd Generation iPod.)
