

Hands-Free Visor Car Kit for iPhone and Bluetooth® Phones

idea: One touch dialing- now you're talking.

Product Number **K33440US**
Sugg. Street Price **\$119.99**

Speed dialing and hands-free calling hit the road with the Kensington Hands-Free Visor Car Kit for iPhone and Bluetooth® Phones. Simply clip it on your car's sun visor and pair with your iPhone or Bluetooth enabled phone for one-touch speed dialing of your three favorite numbers and crystal-clear, hands-free talking.

Features and Benefits

- High-quality speaker for crystal-clear communication
- Noise canceling microphone and patented technology for clear voice transmission
- Three programmable speed-dial buttons store your frequently dialed numbers
- Up to 20 hours of talk time (10 hours per battery). Includes two rechargeable battery packs so one is always charged and ready to go
- USB power port on car charger can charge your iPhone or other mobile devices (USB charging cable sold separately)
- Designed to pair with up to three phones
- User swap button allows you to switch phones without having to reestablish pairing to the speakerphone
- Auto-off sensor when phone is away from the car to preserve battery life

Technical Specs

- Operating frequency 2402 MHz to 2480 MHz
- Compatible with iPhone or other Bluetooth® enabled mobile phones
