\$29.99

Secure your iPhone, iPod or other mobile device on your dash while you drive. The jointed arm on the Kensington Dash Mount for iPhone and iPod adjusts to keep your devices within reach no matter what car you have. And the adjustable side clamps hold the iPhone and iPod even when they're in a case.

Features and Benefits

- Jointed arm allows for precise positioning
- Adjustable side clamps expand to securely fit iPhone, iPod and most mobile devices
- Setup in seconds on any dashboard or flat surface and stays put
- Adjustable legs give added stability and prevent your device from falling
- Rotating head allows angle adjustments and horizontal or vertical device orientation
