Here's a big boost of power with zero charging cables to pack. Everything you need to charge and power your iPhone or iPod is built in to the Kensington Travel Battery Pack and Charger for iPhone and iPod touch. It even doubles as a kickstand for hands-free landscape viewing of movies and video when you're on the road.

Features and Benefits

- Built-in dock connector to charge your iPhone and flip-out USB tip to recharge without the mess of extra cables
- Extends play time up to 23 hours music, up to 7 hours of video and up to 5 hours of talk time*
- LED battery gauge displays remaining battery pack power level
- Perfect for long flights and small travel bags
- All-in-one design; no cables needed
- Rechargeable lithium-ion battery for iPhone

Technical Specs

- Compatible with iPhone 3G, iPhone, iPod touch. Charges iPod nano (1st, 2nd, 3rd, 4th gen), iPod classic, iPod mini, iPod (1st, 2nd, 4th, 5th gen).
- *Actual play time may vary by device, extended play time listed based on iPhone 3G. Some devices, depending on age and usage will have extended usage times that differ from above. As your Kensington Travel Battery Pack and Charger is used over time, it will have a reduced ability to provide extended time and the times will decrease from those shown above.
- **Designed for iPhone and iPod touch
- Headphone port will be blocked on iPod nano
