

4-Port USB Charger for Mobile Devices

idea: Recharge, four devices at a time.

Product Number **K38035US**
Sugg. Street Price **\$29.99**

Charge everything you need in one place. The Kensington 4-Port USB Charger for Mobile Devices charges up to four of your mobile devices, including mobile & smart phones, iPod, PDAs and more, at the same time from just one wall outlet.

Features and Benefits

- Four USB power ports charge up to four mobile devices simultaneously
- Eliminates the need for multiple wall chargers and outlets
- Small, compact design doesn't block extra wall outlets and looks good in your home
- Use with your existing USB charging cable or Kensington USB Power Tips (sold separately) to power and charge your mobile devices. For more information, visit www.kensington.com
