

SlimScreen Privacy Anti-Glare Filter, 16"-18" Black

Keep confidential data from being seen by roaming eyes.

Product Number **K55673**
Sugg. Street Price **\$199.99**

Whose eyes are seeing your screen? Special screen laminate keeps viewing area private by limiting viewing range to a narrow 25° for confidential computing. Reduces glare from computer monitors while improving contrast and image quality.

Features and Benefits

- Limits viewing range to a narrow 25 degrees to keep sensitive information confidential.
- Thin, flexible design blends into the monitor.
- Conductive coatings and the flat plug work together to dissipate static electricity and 99.9% ELF/VLF E-field radiation.
- Reduces 95% of glare that causes eye-strain.
- Special coatings on front surface make it more durable and easy to clean.
