

Mobile Copyholders

Reduce neck and eye strain, and create valuable viewing space with a Kensington mobile copyholder!

Mobile copyholders from Kensington provide a solution for different work environments encountered while on business travel. Whether on the plane, in the airport, or in a hotel, mobile copyholders aid in comfort and organization. Working regularly off of documents is often difficult in cramped environments while on the go and leads to neck and eyestrain. Mobile copyholders from Kensington are an easy, affordable way to help improve comfort and productivity on the road.

FlexClip™ Copyholder 62081

Provides personalized viewing comfort.

- Holds documents at any level with its easy-to-position flexible "gooseneck"
- Small size fits nicely into laptop carrying cases for portability
- Attaches by clip to a laptop or with bracket to a desktop monitor

ClipNGlow™ Task Light and Copyholder 62095

Work in light and comfort with the first task light copyholder combination!

- Illuminate and position papers to ease neck and eyestrain anywhere—without bothering anyone
- Great for planes, hotels or offices
- Flexible "gooseneck" allows customized positioning of documents
- Attaches by clip to a laptop or with bracket to a desktop monitor
- Plugs into USB port
- Bulb-free
- Lasts up to 100,000 hours and uses less than 90 seconds per hour of battery charge

Clipt Laptop Copyholder 62092

Easy to pack, easy to install, easy to use!

- Attaches easily to laptops with screens up to 1/2" thick
- Flat, small and portable for working comfortably in the office or on the go
- Holds up to four documents
- Can be positioned on either side of the laptop, even on top
- No assembly or adhesives—no damage to laptop
