It doesn't look like your typical computer bag. That's because it's anything but typical. The contemporary style, comfort, and flexibility fit your lifestyle and works the way you do. The innovative Junk-It™ drawer is roomy for all those items you need to access. Open the expandable zipper and it's big enough to take on a trip. Close it and it's small enough to use every day.

Features and Benefits

- Fits notebook screens up to 15"
- Three carrying options to fit any travel style - convertible backpack, messenger, or carrying case
- Junk-It™ drawer for easy access to power cords, pens...whatever
- SnugFit™ computer sleeve stretches for perfect-fit protection
- Expands to carry more of everything
- Contemporary style, comfort, and flexibility fits professional lifestyle

Technical Specs

- 2 compartments + extra drawer
- Flapover closure
- Material: 1680D Ballistic Nylon
- Color: Charcoal Grey
- Please note: Features and specifications of all Kensington carrying cases are subject to change without notice.
