### A technical achievement in comfort and computer protection

Offers unique, ergonomic comfort without sacrificing robust padding needed to give you superb laptop protection. Exclusive ergonomic design, endorsed exclusively by American Chiropractic Association, features body-hugging contour panel that helps reduce effective weight of the case and its contents by 35%. 1680 denier ballistic nylon for life-long durability. Weight-distributing organizational system for enhanced comfort and accessibility.

### Features & Benefits

- Body-hugging contour panel helps reduce shoulder and neck muscle fatigue by 35% (patent-pending).
- SnugFit(TM) Laptop Protection compartment snugly envelops your laptop, regardless of size, with a thick layer of protective padding, keeping your laptop safe and secure.
- Weight distributing organizational system keeps frequently-used items within easy reach and has intuitively designed pocket system to allow for easy organization of all your belongings.
- Outer case is made from 1680 Denier Ballistic Nylon, offering military-grade protection against abrasions, punctures, and tears.
- Back compartment for peripherals behind contour panel keeps them from poking into you.
- Innovative, shock-absorbing shoulder strap is contoured for a tight, comfortable fit, and features a special material that keeps it snugly in place.
- Ergonomically-designed handles help distribute force evenly across all your fingers, making it far easier to carry. Its rigid, nesting handles come together as one -- and stay together regardless of how much the bag is filled.
- Exclusively endorsed by the American Chiropractic Association as a healthy computer carrying case for mobile professionals.
