

Adjustable Memory Foam Platform Wrist Rest with SmartFit® System

Take Comfort to New Heights!

Product Number **K62683US**
Sugg. Street Price **\$38.99**

Support your wrists at optimum height and distance for better typing by matching its position with your SmartFit? comfort color. The EasyFlip? feature is built-in to allow for flexibility in height. Hypoallergenic memory foam wrist rest is covered in soft microfiber cloth to provide ultimate comfort while the platform is easy to reposition in tight spaces. Built-in document holder provides the option of placing copy in line with the monitor for better ergonomic positioning. Document Holder can be folded down and placed under keyboard if not in use. Non-skid base keeps wrist rest secure

Features and Benefits

- Hypoallergenic memory foam rest provides 2 built-in height options (1-1/8" and 1-1/2") to ensure optimal typing angle
- Ideal for tight workspaces -- extends desktop to make room for wrist support
- Built-in copyholder positions documents in line with the keyboard and monitor for faster and more comfortable data entry
- Non-skid base won't wander during use
- Lycra cloth cover wicks away moisture and dirt, keeping wrist support soft and comfortable.
- All-in-one wrist rest and keyboard platform provides stability and comfort
- Indicates the correct distance for your personal comfort color, according to SmartFit™ guidelines
