\$54.99

Support your wrists at optimum height and distance for better typing by matching its position with your SmartFit? comfort color. The EasyFlip? feature is built-in to allow for flexibility in height. Hypoallergenic memory foam wrist rest is covered in soft microfiber cloth to provide ultimate comfort. Built-in document holder provides the option of placing copy in line with the monitor for better ergonomic positioning. Extended platform reduces reach and provides a natural progression from keyboard to mouse.

Features and Benefits

- Reduces reach and provides a natural progression from keyboard to mouse
- Hypoallergenic memory foam wrist rest provides 2 built-in height options (1-1/8" and 1-1/2") to ensure optimal typing angle.
- Frame structure offers stability and durability
- Non-skid base keeps pad secure
- Indicates the correct distance for your personal comfort color, according to SmartFit™ guidelines
- Built-in copyholder positions documents in line with the keyboard and monitor for faster and more comfortable data entry
- Ideal for corner workspaces -- extends desktop to make room for wrist support
- Lycra cloth cover wicks away moisture and dirt, keeping wrist support soft and comfortable
