

## Versatile Wrist Rest for Keyboards

idea: Support and comfort go hand in hand

Product Number  
Sugg. Street Price

**K62832US**  
**\$18.99**

A wrist rest should conform to more than just your wrist—it should fit your needs as well. The Kensington Versatile Wrist Rest for Keyboard's modular design can be configured to put the comfort where you need it most. Combine the two pieces for use with your keyboard or use them separately wherever you need them.

### Features and Benefits

- Double sided to give you either soft or firm support
- Interlocking design expands to deliver support where you need it.
- Two pieces can be used together for a keyboard or separately for wrist and elbow or wherever you need them most.
- Durable and washable
- Gentle yet firm materials for proper ergonomic support
