

MicroSaver® Keyed Twin Notebook Lock

Double the protection and lock down two devices at the same time.

Product Number **K64025F**
Sugg. Street Price **\$69.99**

Protect your notebook and monitor with this double lock-head security system. Patented T-bar locking mechanism and super-strong carbon tempered steel cable provide maximum protection that attaches to the standard Kensington security slot found in 99% of notebooks and many computer devices. Lock down your computer system and leave it safe.

Features and Benefits

- Super-strong, steel composite cable with carbon tempered steel core
- 7.5-ft, 5.5mm thick cable
- Built-in defense system guards against lock tampering
- Patented T-bar lock provides superior locking strength in the security slot and theft protection
- Easy to install & use in the office or when traveling
- Dual lock-heads fit into the standard Kensington security slot found in 99% of notebooks, flat panel monitors, desktops, projectors, printers, docking stations, tablet PCs, and other devices
- Sleek styling and design won't block notebook ports or lift a notebook off the desk
- Custom keying options available in a master access, shared access, or supervisor-only access
