

ComboSaver® Security Cable

MicroSaver® locking system without the keys!

Product Number **K64050C**
Sugg. Street Price **\$29.99**

Lock it and leave it! No keys to mess with. Use the combination version of the MicroSaver® lock and cable to easily protect your notebook computer from theft!

Features and Benefits

- Strong T-bar lock and cable protects notebook computers from theft
- Attaches to industry-standard, Kensington® security slot built into most computers
- Small size means less room to grip, lever or break the lock
- One-piece design for easy use
- Velcro® strap manages cable on-the-go and in-the-office

Technical Specs

- Keyless, combination version of the original notebook MicroSaver® security cable
- Strong, 6-foot galvanized steel cable
- Patented T-bar locking mechanism for most secure grip to the slot
- Easy to set combination
