

Glue-On Anchor Point

Make your own immovable object

Product Number **K64063A**
Sugg. Street Price **\$11.99**

Missing that "immovable object" to secure your MicroSaver® locking system? Now you can make any surface an immovable object. Simply glue the metal plate to your surface, cover it with the attractive face plate, and run your MicroSaver® cable through the metal loop. It's so easy.

Features and Benefits

- Flexibility to turn virtually any surface into a security anchor
- Easily anchors MicroSaver® Notebook Locks
- Metal plate with loop easily glues onto surface
- Face plate secures anchor point with industrial strength glue
