

Screw-On Anchor Point

Make your own immovable object

Product Number **K64163B**
Sugg. Street Price **\$11.99**

Missing that 'immovable object' to secure your MicroSaver® locking system? Now you can make any surface an immovable object. Simply screw the metal plate to your surface, cover it with the attractive face plate, and run your MicroSaver® cable through the metal loop. It's so easy.

Features and Benefits

- Flexibility to turn virtually any surface into a security anchor
- Easily anchors Notebook MicroSaver®
- Metal plate with loop easily screws into surface
- Face plate secures anchor point by preventing screw removal
