idea: A sound investment in laptop protection.

Product Number **K64196**
Sugg. Street Price **\$54.99**

MicroSaver® Keyed Alarm Notebook Lock with audible alarm. 6-foot aircraft-grade steel cable attaches computer securely, and patented T-bar lock provides most secure locking. Fits into Kensington Security slot in computers and other devices. 1-year limited warranty and free technical support.

Features and Benefits

- Industry leading MicroSaver® security lock with audible alarm secures computers.
- If the reinforced cable is cut, the alarm sounds immediately.
- Alarm can be heard up to 50 feet away.
- 6 ft. aircraft-grade steel cable attaches to computer.
- Patented T-bar lock provides superior locking strength.
- Fits into the Kensington Security Slot found in notebooks, desktops, flat panel monitors, tablet PCs and other portable devices.
- 1-year limited warranty and free technical support.

Technical Specs

- Uses one lithium CR2032 battery.
- Low battery indicator will chirp when battery is low.
- Alarm volume is preset to one level.
- Alarm can be turned off to preserve battery life when security cable is not in use.
