

MicroSaver® Combination Notebook Lock

Leading combination lock to protect your notebook and the data on it

Product Number **K64344**
Sugg. Street Price **\$0.00**

Your notebook is a source of sensitive data and it should be secured with this keyless 4-wheel combination lock. Attach the aircraft-grade steel cable and patented T-bar locking mechanism into the standard Kensington security slot found in 99% of notebooks and many computer devices. From Kensington, the world leader in notebook security.

Features and Benefits

- 10,000 personalized combination codes
- Patented T-bar provides superior lock strength in the security slot and theft protection
- 6-ft aircraft grade steel cable
- Locks into the Kensington security slot found in 99% of all laptops, and many desktops, and flat panel monitors
- Resettable combination lock for ease of use
- Register your code online and never worry about lost codes again
- Perfect for use at school, the office, or any workstation

Technical Specs

- 4-wheel keyless combination lock
- 6-ft steel cable
- Patented T-bar lock for most secure grip to the slot
- Rubber cable tie to manage cable cord for portability
