

SlimType Keyboard - PC USB

Dress up any desktop computer with a stylish, low profile keyboard.

Product Number **K64365**
Sugg. Street Price **\$29.99**

The Kensington SlimType Keyboard delivers comfort and convenience - with a style that will complement any desktop. Outside, the sleek, slim exterior reflects today's contemporary styling. Inside, the latest keyboard technologies deliver fingertip convenience and control. Scissor-switch key technology - found in laptops - delivers light action typing with a crisp, responsive feel. And intuitive multimedia hot keys provide one-touch control of volume, play/pause, track, mute, and eject. There are even hot keys for sleep and calculator modes.
