

## MicroSaver® Custom Keyed Duo Lock - Master

idea: Protect your investment with twice the lock.

Product Number **K67703M**  
Sugg. Street Price **\$69.99**

Protect against theft-and downtime from lost keys. The Kensington MicroSaver® Custom Keyed Duo Lock-Master is a popular security solution for businesses and institutions that provides each user with his or her own key while giving the IT manager a master key for all locks. Each cable features a locking head on both ends to secure two devices.

### Features and Benefits

- Master Access solution gives each user their own key and gives the IT manager a master key to open all locks
- 6-ft carbon-strengthened steel cable
- Dual locking heads with patented T-bar locking mechanism provides superior locking strength and theft protection
- Locks into the standard Kensington Security Slot found in 99% of notebooks, and many flat panel monitors, desktops, projectors, printers, docking stations, tablet PCs, and other devices
- Built-in defense system guards against lock tampering
- Low-profile lock heads won't block notebook ports or lift notebook
- Online key code registration to replace lost keys
- SAFE Pro tested for security and peace of mind

### Technical Specs

- 6-ft, 5.5mm thick carbon-strengthened steel cable
- Dual keyed lock heads
- Patented T-bar provides superior locking grip to Kensington Security Slot
- Includes 2 keys
