

MicroSaver® Custom Keyed Ultra Notebook Lock - Master

idea: An ultra thick cable for ultra security.

Product Number **K67705M**
Sugg. Street Price **\$54.99**

Our most popular option for businesses and institutions is now also our most secure. With an ultra-thick carbon strengthened steel cable and Master Access key solution, the Kensington MicroSaver® Custom Keyed Ultra Notebook Lock is the perfect way to prevent lost computers and lost keys.

Features and Benefits

- Master Access solution gives each user their own key and gives the IT manager a master key to open all locks
- 8mm thick, 6-ft carbon-strengthened steel cable
- Patented T-bar locking mechanism provides the most secure connection to your notebook
- Locks into the standard Kensington Security Slot found in 99% of notebooks, and many flat panel monitors, desktops, projectors, printers, docking stations, tablet PCs, and other devices
- Built-in defense system guards against lock tampering
- Low-profile lock head won't block notebook ports or lift notebook off desk
- Online key code registration to replace lost keys
- SAFE Pro tested for security and peace of mind

Technical Specs

- 6-ft, 8mm thick carbon-strengthened steel cable
- Patented T-bar provides superior locking grip to Kensington Security Slot
- Ships with 2 Master keys for IT manager, 2 User keys per lock
