

ComboSaver® Master Coded Combination Expansion Loop

idea: Greater flexibility for users and administrators.

Product Number **K67712US**
Sugg. Street Price **\$39.99**

One lock is all you need to give users combination access, administrators electronic access. The Kensington ComboSaver® Master Coded Combination Expansion Loop features a 20" long cable that makes it extra easy to secure your valuable equipment to an existing cable.

Features and Benefits

- PVC-coated aircraft quality galvanized steel cable
- Gives end-users the ability to set personal combinations that they can remember
- Locks into the standard Kensington Security Slot found in 99% of notebooks, and many flat panel monitors, desktops, projectors, printers, docking stations, tablet PCs, and other devices
- Allows authorized administrators the ability to unlock or reset locks at any time

Technical Specs

- 20" carbon-strengthened steel cable loop
- Stainless steel locking mechanism
