## MINI PLATE ANCHOR

**Limited Lifetime Warranty**

KENSINGTON COMPUTER PRODUCTS GROUP ("KENSINGTON") warrants only to the original purchaser of this product from a Kensington-authorized reseller or distributor that this product will be free from defects in material and workmanship under normal use and service. Kensington reserves the right, before having any obligation under this limited warranty, to inspect the damaged Kensington product, and all costs of shipping the Kensington product to Kensington for inspection shall be borne solely by the purchaser. In order to recover under this limited warranty, Purchaser must make claim to Kensington within 60 days of occurrence, and must present acceptable proof of original ownership (such as original receipt, warranty card registration, on-line registration, or other documentation Kensington deems acceptable) for the product. KENSINGTON, at its option, shall repair or replace the defective unit covered by this warranty. Please retain the dated sales receipt as evidence of the original purchaser's date of purchase. You will need it for any warranty service. In order to keep this limited warranty in effect, the product must have been handled and used as prescribed in the instructions accompanying this warranty. This limited warranty does not cover any damage due to accident, misuse, abuse or negligence. This limited warranty is valid only if the product is used with the equipment specified on the product box. Please check product box for details or call KENSINGTON technical support. This limited warranty is non-transferable and does not apply to any purchaser who bought the product from a reseller or distributor not authorized by Kensington, including but not limited to purchases from internet auction sites. This warranty does not affect any other legal rights you may have by operation of law. Contact KENSINGTON at [www.support.kensington.com](http://www.support.kensington.com) or at one of the technical support numbers for warranty service procedures.

**ATTENTION: Please read warning label on the adhesive packaging before handling**

### INSTALLING MINI PLATE ANCHORS

1. Clean back of Mini Plate Anchor (a) and surface area where plate will be applied with prep pad (b). Dry with a clean cloth.
2. Evenly coat back of mini plate with the adhesive (c). Use the tube's application tip to spread adhesive toward the edges of the plate [fig. 1]
3. Adhere plate to prepared surface by pressing plate to surface for 2 minutes. [fig. 2]
4. Wipe off excess adhesive with Prep Pad.

Allow to dry for 24 hours before use.

### USING A SECURITY CABLE WITH A MINI PLATE ANCHOR

**If you are using a cable that secures by utilizing a security slot:**  
 Follow your individual cable's instructions and insert the cable's locking head into the slot in Mini Plate Anchor.

**If you are using a cable that secures by other methods:**  
 Thread the cable through both holes in the Mini Plate Anchor and secure according to your individual cable's instructions.
