

PocketMouse™ Pro Wireless Laser Mouse USB

Laser-Sharp Precision in a Portable Mini Mouse

Product Number **K72268US**
Sugg. Street Price **\$39.99**

PocketMouse™ Pro Wireless Laser Mouse is your ideal companion while mobile. Enjoy 2.4 Ghz wireless freedom and precise laser tracking. The mini USB wireless receiver reports a high report rate to give you wired performance without the wire up to a 10 ft. range. Advanced laser tracking offers up to 20x the surface sensitivity for great precision. The design gives you a compartment in the mouse to easily stow the receiver leaving you with one thing to carry when traveling. Designed for mobility, Laser precision and 2.4 Ghz wireless technology, the PocketMouse™ Pro Wireless Laser Mouse will be the device you can rely on.

Features and Benefits

- Precision laser tracking, 2.4GHz wireless connection, and power-saving technology that doubles battery life.
