

Si670m Bluetooth® Wireless Notebook Mouse

Instant connection with no receiver!

Product Number **K72271US**
Sugg. Street Price **\$49.99**

Beyond wireless, this mouse connects without a receiver! So well designed, you can take this mouse anywhere and instantly appreciate its comfort, accuracy and speed.

Features and Benefits

- 1000 dpi performance optical lets you navigate accurately with little movement. So you can work easily in cramped spaces and off uneven surfaces.
- 4-way tilt scroll lets you quickly maneuver through documents and graphics just by moving your fingertip.
- Equally comfortable and ergonomic for right or left-handed users.
- Mid-size body design with sculpted, rubberized grips...so you can comfortably use the mouse all though those long work days.
- On/off switch lets you shut off your mouse when not in use so you conserve batteries.
- Turn it on and your Bluetooth mouse is always ready to go!
- No receiver - nothing to plug in, pack or risk losing. Use your Bluetooth mouse with a completely clutter-free connection.
- LED indicators confirm your connection and warns you when your battery 's low.
