This mouse does a whole lot more than just control your cursor. The Kensington® SlimBlade™ Media Mouse combines a mouse and media controller into one slim, sleek device that fits your hand as well as your home space.

Features and Benefits

- Full-featured laser mouse allows you to navigate through your documents and photos with superior precision
- Unique Scroll Ball provides easy and intuitive 360° scrolling
- Multifunction navigation pad allows you to control your digital media from anywhere in the room
- Navigation pad on the media controller includes: volume control, track control, play and pause
- Never worry about turning your mouse on or off again-- your mouse goes into sleep mode when your notebook does
- Battery indicator light is green then changes to red as the battery level is getting low

Technical Specs

- Laser mouse with 360° Scroll Ball
- Media controller
- 2.4 GHz wireless -- up to 30 ft. range
- Up to 6 month battery life
- Battery indicator
