\$32.99

The sleek, stylish Ci75m is more than just a pretty face. The low profile design saves space on your desk and travels easily. Plus there's the versatility of power back-up for use in wireless restricted areas and an automatic sleep state for power conservation.

Features and Benefits

- Up to 30% thinner than a standard notebook mouse to eliminate bulk from your travel bag
- Back-up power for wireless or USB powered operation
- Automatic sleep state conserves power and protects the optical sensor
- Sleek, ergonomic design provides comfort and mobility
- Performance Optical Sensor

Technical Specs

- PC and Mac® compatible
- 27 MHz wireless
- Performance Optical™ sensor (1000 dpi)
- Low battery indicator on scroll wheel
